

The Social Cognition & Clinical Neuroscience

1st Symposium

Wednesday 4th October 2023,
Workshops : 09:00-12:00 Salon du XXème
Scientific symposium : 14:00-17:30 Auditorium Mathias Mayor

Dear Colleagues, Dear Friends,
We are delighted to invite you to :

1st Symposium of cognitive neurology

Organised by the platform of cognitive neurology of the Department of Clinical Neurosciences with the Divisions of Neurology, Neuropsychology & Neurorehabilitation and the Leenaards Memory Center.

This symposium aims to discuss social cognition in neurological patients in the context of acquired brain damage, neuroinflammation and neurodegeneration. Prestigious interdisciplinary and international speakers will be sharing their knowledge in morning workshops and afternoon lectures.

Innovation in diagnosis, research and treatment will also be on the agenda, with a particular focus on virtual reality and social robots.

As social cognition is often a little-known subject in neurological patients, but a key symptom in a number of psychiatric illnesses, we believe that this symposium will be relevant to hospital neurologists, established neurologists, neuropsychologists, speech therapists, psychiatrists and neuroscientists.

With kind regards,

The organisers : Pr P. Ryvlin, Pr G. Allali, Pr A. Sokolov, Dr O. Rouaud, Dre P. d'Honincthun,
Ms M. Pittet, Ms S. Laithier

Informations and inscriptions

Date	Wednesday 4 october 2023
Location	09:00-12:00 Salon XXème 14:00-18:00 Auditorium César Roux
Contact	severine.laithier@chuv.ch
Inscriptions	https://etickets.infomaniak.com/shop/KY2YviNEV3/

Workshops 09:00-12:00

Welcome | Arseny Sokolov

Session 1 Moderation | Peggy d'Honincthun & Arseny Sokolov

09:00 Revue critique des outils d'évaluation et de prise en charge de la cognition sociale chez les patients cérébrolésés et dans les maladies neurodégénératives
Philippe Allain

09:45 Prise en charge des troubles de la régulation émotionnelle, de la cognition sociale et du comportement chez les patients cérébrolésés : efficacité de la thérapie comportementale dialectique
Agata Krasny-Pacini

10:30 Coffee break

Session 2 Moderation | Marie Pittet & Olivier Rouaud

11:00 Social cognition and non verbal communication in severe mental illness
Sebastian Walther

11:45 Round table
Peggy d'Honincthun & Arseny Sokolov

12:15 Lunch

Symposium 14:00-18:00

Welcome | Philippe Ryvlin

Session 1 Moderation | Gilles Allali & Philippe Ryvlin

14:05 The cerebro-cerebellar networks for social cognition
Arseny Sokolov

14:50 Understanding and treating clinical disorders of social cognition
Skye Mc Donald

15:35 Coffee break

Session 2 Moderation | Olivier Rouaud & Arseny Sokolov

16:05 Social cognition in neurodegenerative diseases with a focus on frontotemporal dementia
Marc Sollberger

16:50 From social brains to social robots :
Human neuroscience investigations into human - robot interactions
Emily Cross

17:35 Round table
Olivier Rouaud & Gilles Allali

18:00 Aperitif

Speakers & Moderators

Gilles Allali

Prof. Dr. med
Leenaards Memory Center
CHUV, Lausanne, CH

Philippe Allain

Prof. Neuropsychology (Adults)
Unit of Neuropsychology
Department of Neuropsychology,
CHU, Angers, FR

Peggy d'Honincthun

Psychologue associée, Dre. PhD
Spéc. in Neuropsychology FSP et speech therapist
Service of Neuropsychology & Neurorehabilitation
CHUV, Lausanne, CH

Emily Cross

Prof of Social Brain Sciences
ETHZ, Zürich, CH

Agata Krasny-Pacini

Dre. Physical medicine & Readaptation
Service of EMOI-TC
IURC, Strasbourg, FR

Skye Mc Donald

Prof. Clinical Neuropsychology
UNSW Psychologie
UNSW Sydney, AU

Marie Pittet

PhD student
Service of neuropsychology & neurorehabilitation
CHUV, Lausanne, CH

Olivier Rouaud

Médecin adjoint
Leenaards Memory Center
CHUV, Lausanne, CH

Philippe Ryvlin

Prof. Dr. med. PhD
Head of Service of Neuropsychology &
Neurorehabilitation
Head of Clinical Neurosciences Department
CHUV, Lausanne, CH

Arseny Sokolov

Prof associé, Médecin Adjoint, Dr. med. PhD
Service of Neuropsychology & Neurorehabilitation
CHUV, Lausanne, CH

Marc Sollberger

PD. Dr. med
Memory Clinic, University Department of Gériatric
Medicine FELIX PLATTER & Department of
Neurology, University Hospital Basel,
CHU, Bale, CH

Sebastian Walther

Prof. Dr. med
Division of Psychiatric Neuroscience,
University Hospital of Psychiatry & Psychotherapy
CHU, Bern, CH

Education credits

Swiss Neurological Society "SSN" : 8

Swiss Association of Neuropsychologists "ASNP" : 7

Swiss Society of Psychiatry and Psychotherapy "SSPP" : 7
