

Centre d'épidémiologie psychiatrique et de psychopathologie

Symposium en l'honneur du départ à la retraite du Pr Martin Preisig

Jeudi 4 Septembre
Auditoire Paternot, Agora
Bugnon 25, 1011 Lausanne

Formé à Zurich (UZH), Lausanne (UNIL) et New Haven (Yale), Martin Preisig est professeur ordinaire à la Faculté de biologie et médecine (FBM) de l'UNIL depuis 2019. Au sein du CHUV, il est responsable du Centre d'épidémiologie psychiatrique et de psychopathologie (CEPP).

Le symposium en l'honneur de son départ à la retraite aura pour thème les données des deux études menées par le CEPP:

**Lausanne Geneva Family
and High Risk Study
of Mood and Substance Use Disorders**

CoLaus|PsyCoLaus
