Journée Romande d'Endocrinologie

13 June 2024
Lausanne, Switzerland

In honor of the retirement
of Pr Peter Kopp

HUG Hôpitaux
Universitaires
Genève

Dear colleagues,

We are delighted to invite you to this event, bringing together specialists from the CHUV and HUG, as well as international experts, around current themes and clinical cases in endocrinology.

The day will also celebrate the remarkable career of Professor Peter Kopp and his invaluable clinical and academic contributions. As he approaches retirement, we wish to take this opportunity to express our sincere thanks and friendship to him.

We look forward to your presence to pay tribute to Professor Peter Kopp and your participation in this day of exchange and knowledge-sharing.
