

CERTIFICATE

We, Swiss Biobanking Platform, confirm the labelling of

Biobanque de pathologie clinique (BBP) CENTRE HOSPITALIER UNIVERSITAIRE VAUDOIS

SCOPE OF THE VITA LABEL

COMPLIANCE WITH LEGAL AND ETHICAL STANDARDS

The Vita Label demonstrates compliance with the applicable legal framework; in particular, the legislation on Research involving Human Beings, the cantonal legislation and the one relative to Data Protection. It follows established ethical/professional principles, including the Declaration of Taipei on ethical considerations regarding health-related databases and biobanks (2016).

The compliance check is based on the answers provided in the BiobankSQAN and the remote evaluation performed by SBP Team on 19.11.2020.
